LAURA ASHLEY

CHINA ROSE: LADKCR
APN: 5061129070140

Whether it's a morning brew, afternoon tea, or an evening sip, the VQ Laura Ashley Dome Kettle is a promise of elegance and efficiency, with every drop reflecting the enduring legacy of Laura and Bernard Ashley. A truly iconic addition to your designer home.

Radiating with timeless grace, the Dome stainless-steel kettle, seamlessly wrapped, by hand, in Laura Ashley's classic China Rose print. Each kettle is hand decorated and finished with a high-grade gloss UV coating to ensure it looks pristine day in day out. The generous 1.7L capacity ensures you're always prepared to serve loved ones or indulge in a personal moment of serenity. With a capacity of up to seven cups. A perfect match for a rich tasting coffee, delicious warm tea, hearty oatmeal, pasta, noodles, and much more. It is super convenient and looks gorgeous in your kitchen, or home office.

- **LARGE CAPACITY** | At 1.7 Litres, this stunning kettle easily allows you to make up to seven cups of your favourite beverage. It comes with a manual switch that is easy to use, a water indicator with eco-cup measurements that helps only boil what you need. Cutting down on the amount of water you use daily, saving money and also the planet.
- **QUICK BOILING & EXTERNAL WATER LEVEL INDICATOR** | This stainless-steel kettle boils water at a super-fast pace, up to 3-litres per minute! Allowing you to make the beverage of your choice in a matter of seconds. It features an external water level indicator with eco-cup measurements to help you only boil what you need.
- **A THERMOMETER FOR TEA** | The external visual thermometer allows you to get your beverage temperature exactly right. Certain teas or drinks require a specific temperature for that perfect blend. Releasing flavours and aromas at just the right heat. Creating wonderful brews and liquid refreshments in an economical way.
- **OVERHEATING & PROTECTION** | Our fast boil electric kettle contains a concealed heating element with a safety feature. That will not allow the water to boil dry if it's accidentally left unattended for an extended period of time. Also, a removeable cool touch lid to not burn your fingers when refilling. The Dome kettle also features a rotating 360-degree body using Power Base. Making it super easy to use wherever you place it in the kitchen area, and convenient to remove and replace safely when finished.
- **QUALITY** | Made with high-grade 304 stainless-steel material, this kettle has been triple inspected for safety and quality. Each kettle comes with a 24-month warranty. It is durable and resists scratches. Which Award-winning manufacturer VQ takes great pride in all their products and provides specialized support from the UK. Now blending its design and style into house and home appliances with a range of stunning handmade products in partnership with leading global design partners.
- **WARRANTY** | Peace of mind with up to two years protection.

** product to be registered online for 24-month warranty*
